APPLICATION FORM INSTRUCTIONS:

You are requested to complete this **application** in accordance with the instructions on the other side of this sheet. **Please note the deadline dates** in item 5 of the General Information section below. Although a category card cannot be issued until all documents are received, applicants are encouraged to apply well before the November 30, March 31, and June 30 deadlines. **Some days of grace are allowed for applicants applying before these cutoff dates.**

GENERAL INFORMATION

- 1. All evaluations are made pursuant to policies currently in force and approved by the Teacher Qualification Board. The Board is composed of representatives of the BC School Trustees Association and the BC Teachers' Federation.
- 2. A TQS category will be assigned only after the applicant has submitted their official transcripts and the most recent Teacher Regulation Branch (formerly BC College of Teachers) teaching certificate for which the applicant is qualified. [Applications for a valid teaching certificate should be made to the Teacher Regulation Branch (www.bcteacherregulation.ca) 604-731-8170/1-800-555-3684.]
- 3. **The onus for submitting the required documents rests with the applicant.** Categorizations will be based on the documents received and in accordance with the policies in force at the time the evaluation is made.
- 4. By policy, the Teacher Qualification Service assigns categories on the basis of the "completed program" approach as determined by standards applicable in British Columbia. Categories are not necessarily determined on the basis of a simple count of course credits or time spent completing an acceptable program.
- 5. Categories are assigned effective **January 1**, **May 1**, or **September 1**. Intermediate effective dates are not assigned. Applicants who submit all supporting documents to the TQS office between June 30 and November 30, are assigned a category effective **September 1** of that calendar year provided all work relative to the category is completed by August 31 (September 30 for graduate degrees). Applications received between November 30 and March 31, are assigned a category effective the intervening **January 1** provided all work is completed by December 31 (January 31 for graduate degrees). Applications received between March 31 and June 30, are assigned a category effective **May 1** of that calendar year provided all work is completed by April 30 (May 31 for graduate degrees).
- 6. **OFFICIAL** transcripts are required for all post-secondary institutions attended. A comprehensive record from one institution covering work at another may not be acceptable.
 - Transcripts are not returned to applicants unless they are one-of-a-kind. In this case, the applicant must request return of the transcripts and enclose a postal money order in the amount of \$10.00 payable to the Teacher Qualification Service.
- 7. **A secondary school record** is required for all applicants who first attended a university or teacher training institution outside of Canada or the United States. For those who first attended a Canadian or US university or teacher training institution, a secondary school record may be required if the basis for admission is not clear on a transcript.
- 8. Applicants presenting documents printed in a language other than English or French must submit an official notarized English translation together with the original document(s).

Please read this page and the General Information section carefully before completing the Application form.

- 1. Insert your last and <u>all</u> given names in full (including your maiden and/or previous names where applicable). The name on your TQS card will duplicate the name on your BC teaching certificate, therefore, proof of legal name change is required before your TQS category card can be issued in a name not used on your teaching certificate. Failure to provide all used and given names may result in unnecessary delays in the processing of your TQS evaluation.
- 2. Insert your full BC mailing address and postal code. Your category card will be mailed to this address. Please inform us if a change occurs before you receive your TQS card. Note that TQS cards are not mailed outside of the province of BC or to schools or school districts.
- 3. A clear photocopy of the most recent BC public school teaching certificate issued to you by the Teacher Regulation Branch/BC College of Teachers is required for <u>ALL</u> applications. If you are unable to locate your teaching certificate, contact the TRB at 604-731-8170/1-800-555-3684 (www.bcteacherregulation.ca). Please note that your annual wallet card is **NOT** acceptable.
- 4. If you are applying to the TQS for the first time, please indicate this and proceed to item number five. Please indicate if you are applying for an upgrade, a revised TQS card or a replacement card, and provide a photocopy of an appointment letter, pay statement, or other documentation indicating current employment in a BC public school district. If you are not employed, but are seeking employment in a BC public school district, indicate which district(s) you are applying to. **This step is required for all but first time applicants.**
- 5. Insert, with dates of attendance, the full name of every institution you have attended.

If you have previously been evaluated by the TQS, it is only necessary to list and submit transcripts for course work completed since your previous evaluation was processed.

Photocopies and faxes of transcripts are **not** acceptable. If your documents are being mailed directly from the institutions concerned, indicate this in the space provided. **Please note that documents filed with the Teacher Regulation Branch are not available to the TQS office.**

6. Applications must be dated and **SIGNED** to be valid.
